

For the next possible time we are looking for a

Warehousekeeper/warehouse employee

(full-time) in Wrocław.

ASSMANN Polska branch has been operating since 1992 as ASSMANN Distribution Sp. z o.o. since 2007. The head office of the company with its central warehouse and sales office is located in Wrocław. The commercial branch located in Warsaw provides services to customers from central and northern Poland.

Our strength is due to a well-coordinated team of employees who are committed to dealing with new challenges and non-standard orders. We share our knowledge and experience on a daily basis, building partner relations with our contractors.

POSITION

- carrying out work and keeping records relating to the reception, issue and storage of goods;
- keeping warehouse documentation;
- operation of a computerised warehouse system;
- current control of stock levels;

QUALIFICATIONS

- experience as a warehousekeeper;
- ability to work in a team;
- integrity, commitment;
- good organisation of work;
- cheerful disposition;
- authority to operate a forklift truck (necessary condition)

OFFER

- an interesting job in a young, professional team, in a dynamically developing company;
- possibility of professional development and continuous improvement of professional qualifications;
- remuneration adequate to the skills and achieved results;
- employment contract, the possibility of part-time employment (e.g. ½, ¾ of the time);
- Good working conditions;
- Private health care;

If you are interested in working for our company, we look forward to meeting you. Please send us complete application documents, including salary expectations, preferably by e-mail.
